Contents

Cygnet was established in 1988. Since then we have developed a wide range of health and social care services for young people and adults with mental health needs, acquired brain injuries, eating disorders, autism and learning disabilities within the UK.

Through our values of **Integrity, Trust, Empower, Respect and Care** we take pride in the services we offer and the outcomes we enable individuals in our care to achieve.

Our expert and highly dedicated care team support almost 9,000 individuals each year across 150 services to consistently make a positive difference to their lives.

We maintain a good relationship with our quality regulators and undergo regular inspections, with 89% of our health care services rated 'Good' or 'Outstanding'.

Cygnet Health Care Services

Secure

Our low and medium secure services are therapy and recovery focused with the aim to effectively progress service users through secure care, and into the least restrictive environment possible, working to reduce the possibility of re-admission back into secure care.

Learning Disabilities

Our priority is to ensure that individuals with learning disabilities enjoy the same right to a happy and fulfilled life as others. We ensure that the individuals we support feel safe in their environment, are understood and are able to communicate to the best of their ability. Most importantly, with the right support and help, we empower individuals to successfully progress to a community-based service that is aligned to their abilities.

Residential Services

Our residential services support individuals with Learning Disabilities, Autism, and Mental Health needs, including those who may have complex needs and behaviours that challenge.

Our person-centred care is focused on empowering people to lead happy, active, and meaningful lives. We help individuals gain greater choice and control and successfully move toward the most independent living environment possible.

We offer a wide variety of specialist residential services across the UK, including residential services with nursing provision.

Specialist Day Services

At Cygnet Social Care, we operate two specialist Day Services, located in Sheffield and Long Eaton, Nottinghamshire.

Both centres are designed to enhance the quality of life for individuals with a primary diagnosis of a learning disability, as well as those with autism, complex health needs, physical disabilities, and communication difficulties. Our dedicated approach ensures we support people requiring specialist interventions like PEG/NG feeding, as well as support for wheelchair users.

Long Eaton Day Services

Age: **16+** Gender: **Mixed** Placements: **50**
Commissioner / Funder Type: **ICB, LA, PVT**

Neurological Complex Care

We provide complex care and treatment for individuals with acquired brain injuries (ABI) and other neurological conditions, including stroke and spinal injuries. Our mission is to provide a supportive and expert environment for long-term and short-term care needs.

Our person-centred and flexible approach is dedicated to reducing risk, maximising independence and improving quality of life. The service is centred around individual and bespoke care packages, developed after a thorough assessment of each person's needs and goals.

Supported Living

Our supported living services are here for adults with Learning Disabilities, Autism, and Mental Health needs, including those who may need a little extra support with daily life and communication.

Each person holds their own tenancy agreement with a registered housing association - this is their home, and we respect that. We believe choice and control are everything. For those who need assistance with decision-making about their home and support, we work closely with our partners to ensure all the correct legal frameworks are in place, guaranteeing people can live safely and successfully in the community.
