"This is the happiest and most settled I have ever seen my son." **Parent**

"Our daughter continues to progress at Devon Lodge, in ways we thought she never would." **Parent**

"I worked with Devon Lodge on an emergency placement for an 18 year old male.

In working with Devon Lodge, from the beginning I found them constructive and responsive to the situation, the team worked with me collaboratively and communication was excellent.

The transition process was thorough and the Devon Lodge team supported the individual to settle into a completely new environment with minimal disruption.

Since his residency at Devon Lodge there have been really positive outcomes for this individual and he has thrived.

This has all been facilitated by the supportive and holistic approach Devon lodge have applied." **Social Worker**
