Our service at a glance

The service is split into Beckly House and Beckly Lodge.

Beckly House has 8 en-suite bedrooms, 3 of which are on the ground floor and are suitable for people with mobility issues. In addition they have communal living areas including a lounge, dining room, a conservatory and activity space.

Beckly Lodge is a two 2-bed living area, each with their own en-suite toilets. One of the living spaces has a shared living space for 2 individuals in a large open plan area whilst the second 2-bed living area has separate lounges for the people who live there. Externally there is a large garden with plenty of space for outdoor activities, sports, barbeques and parties.

Beckly is located in the village of Shelf, which is in-between the cities of Halifax and Bradford. In a great location, steeped with history, the service is close to many community facilities, fantastic nature walks and good transport links. The individuals are encouraged to be involved in the local community as much or as little as they wish to be.

In conjunction with the other local Cygnet residential services, we have some fantastic projects that people we support can attend regularly including bakery, textiles and horticultural work. These projects introduce vocational and learning activities designed to give individuals the opportunity to learn valuable skills and develop confidence in a safe and familiar environment.

Our community links:

- > Cafés and restaurants
- > Local colleges & libraries
- > Beauty salons
- > Theatres and cinemas
- > Bowling and other leisure facilities
