Located in the suburbs of Liversedge in West Yorkshire, Norcott House is a specialist residential service providing outcome focused care for adults with learning disabilities and associated complex needs who may have behaviours that challenge.

Person-centred planning is at the heart of everything we do and we are able to meet the changing needs of the people we support as they progress through their care pathway, while ensuring their safety is maintained and their independence supported.

The people we support:

- > Adults from the age of 18 years
- > Individuals with a primary diagnosis of learning disability accompanied with behaviours that challenge including mental illness or a forensic background
- > Individuals with a secondary diagnosis of personality disorder or autism, or mental health problems
- > May have communication challenges
- > May have associated complex needs

Our service at a glance

Norcott House offers four individualised living environments, comprising a 4-bedroom area, a 3-bedroom area, and two 2-bedroom spaces. Every accommodation provides its own self-contained living area, complete with a comfortable lounge, dining room, kitchen, and en-suite facilities, empowering individuals to live with the greatest possible independence. Outside, residents can enjoy a large garden, perfect for BBQs, garden parties, or simply relaxing.

The service is located in-between Bradford, Leeds and Huddersfield, so with fantastic public transport links there is an abundance of community facilities including shopping centres, cinemas and leisure centres. The residents are encouraged to be involved in the local community as much or as little as they wish to be and there is no shortage of places to visit within walking distance too including parks, pubs and cafés.

In conjunction with the other local Cygnet residential services, we have some great projects that residents can attend regularly including bakery, textiles and gardening work. These projects introduce vocational and learning activities designed to give residents the opportunity to learn valuable skills and develop confidence.

People's Council Involvement

Bakery project

Individuals are taught how to make cakes and other sweet treats, whilst also learning about the safety aspect of a kitchen

"I like the staff and doing more independent things – making my own dinner, making my own breakfast and drinks."

A person we support

"It gives me self-satisfaction knowing that I am making a difference to someone's life."

Gardening project

Individuals learn how to grow produce of their own in a vegetable patch

Good relationship with the Community Learning Disability Team (CLDT)

"My son has been a lot happier since moving to Norcott House. I feel he is being cared for properly. I believe that staff listen to parents as well as my son himself. I've got nothing bad to say about Norcott House. My son is more content and clearly feels safe, so this makes me feel content." **Family member**
