

Improving lives together

Specialist residential service for adults with learning disabilities and complex needs

Lowry House, Greater Manchester

Placements
now
available

Lowry House is a specialist residential service, supporting people with learning disabilities, complex needs and behaviours that may challenge, including those with mental health needs.

We provide specialist care and support that is tailored to individual needs, promoting independence and community integration. We encourage and enable the people we support to lead a full and happy life and work with them to find out their strengths, abilities and preferences so that their care can be as person-centred as possible.

12 Placements

The people we support:

- > Adults from the age of 17 years
- > Individuals with a primary diagnosis of learning disability accompanied with behaviours that challenge including mental illness or a forensic background
- > Individuals with a secondary diagnosis of personality disorder or autism
- > May have communication challenges
- > May have associated complex needs

Our service at a glance

Lowry House offers both single and dual occupancy apartments, providing individuals the flexibility to live in their own private space or with another person. Each apartment is fully equipped with its own lounge, dining room, kitchen, and bathroom facilities.

The service also features inviting shared communal spaces for the people we support, including a well-equipped gym, a games room, an activity room, and a computer suite. Externally, a pleasant garden is accessible to all individuals, offering ample space for outdoor activities. This garden also features a vegetable patch where the people we support can learn and engage in growing their own produce.

The service is close to many community facilities. Major public transport links are on the doorstep and Manchester City Centre is a popular destination just a short bus journey away.

The people we support may come to Lowry House for many reasons. They may be moving through their care pathway from a hospital setting or may require extra support during a difficult period in their life, or they could be on a pathway to a place of their own.

Our facilities:

- > Lounges
- > Dining rooms
- > Kitchens
- > En-suite bedrooms
- > Well-equipped gym

A person we support

For more information or to make a referral, please contact your regional Business Relationship Manager or email:
sc.referrals@cygnethealth.co.uk

- 1 Referral made to Cygnet Social Care and a desktop assessment is undertaken to review suitability for placement
- 2 If a suitable placement is identified, an assessment is arranged and undertaken by our specialist team
- 3 Feedback is provided on whether our service can meet the individual's needs
- 4 Detailed placement proposal is formulated to include care plans and funding information
- 5 Once placement is confirmed, transition plans are developed with all relevant stakeholders and admission date is agreed
