Specialist residential service for men with learning disabilities

Now taking referrals

4, 5, 7 The Sycamores is a residential service in Normanton, Derbyshire. This homely service supports six men with learning disabilities, who may also have a secondary diagnosis of autism spectrum disorder.

We empower each individual to function to a higher therapeutic level with careful consideration of staffing interventions and clinical input. This gives our residents the freedom and independence to flourish and develop their skills.

- > May be informal or on a Deprivation of Liberty Safeguards (DoLS)
- > May be on a Community Treatment Order (CTO)

Our service at a glance

The service is made up of three, two bed bungalows with a shared spacious garden and outdoor seating. Each bungalow has its own open plan lounge and kitchen where individuals are supported to develop their daily living skills. In addition, each bungalow has two en-suite bedrooms and the men we support are encouraged to personalise their own space.

Each resident receives an individualised care and support plan which is tailored to their own needs. This helps enable them to achieve successful community living and break a cycle of placement breakdown.

4, 5, 7 The Sycamores is located in the picturesque market town of South Normanton and two miles away from the busy Alfreton town centre. Residents have access to all the local amenities to ensure full integration into community life.
