now

**Date:** Wednesday 23<sup>rd</sup> January 2019

**Time:** 11:00-14:00

Cygnets St William's is a new 12 bed Neuropsychiatric care and treatment facility offering those affected by acquired brain injuries. It is a safe and secure place to aid recovery as well as offering those diagnosed with a progressive neurological disease, like Huntington's Disease, a caring and long term placement to support and help manage the progression of their symptoms.

You and your colleagues are warmly invited to attend our preview day.

Tours of the new hospital will be held, along with the chance to meet members of the interdisciplinary team.

A buffet and refreshments will be served throughout the day.
