**When you arrive at the unit, you will be asked to sign a contraband form to agree that:**

- a) You have read and understood the list of contraband items that are not allowed in the hospital
- b) You do not have any contraband items on you person in your personal bag/briefcase etc
- c) You are aware that if any item is discovered during or after your visit or that you entered the secure perimeter of the hospital carrying contraband items, you may be asked to leave or be banned from the hospital.
