# Acute Service for Women

Oakwood Ward,  
Cygnnet Hospital Godden Green, Kent

Good

Accepting  
referrals

Oakwood Ward at Cygnnet Hospital Godden Green provides a safe and stabilising environment for women who are experiencing an acute episode of mental illness and require an emergency admission.

The ethos of our service is about assessing and treating people in the least restrictive environment and planning for discharge in a robust and timely fashion. With a focus on stabilisation, we will support individuals to manage their mental health, reinforce daily living skills and prepare for independent life back in the community.

Our team works closely and collaboratively with service users, their families and the referrer to provide a seamless pathway from referral to discharge. Our approach is recovery focused and supported by a comprehensive multi-disciplinary team, contributing to shorter lengths of stay.
