

Our Model of Care

At Cygnet Health Care we are doing all we can to make a **positive difference**.

To help everyone work together to achieve this we have collaboratively created **Our Model of Care** for our **Learning Disabilities and Autism Spectrum Disorder Services**.

We adopt a values based, social model of disability with **My Choice, My Voice, My Life** sitting at the heart of our model, empowering care, support and treatment to be provided through the lens of any individual.
