Our service at a glance

Woodrow House is split into 6 different living units, 5 single occupancy apartments and a four bed unit with communal living areas. Each of the units have their own lounge, dining room, kitchen and bathroom facilities and the shared unit has a well-equipped activity room and computer suite. Externally there is a large garden that all residents have access to. The garden has a plenty of space for outdoor activities including sports, games and socialising at summer BBQs and garden festivals.

Located in a great location in the suburbs of Heaton Moor in Stockport, Woodrow House is close to many community facilities. The residents are encouraged to be involved in the local community, there is no shortage of community integration. Major public transport links are on the doorstep with Stockport and Manchester being within easy reach. As part of our care pathway, Woodrow House enables each individual to build upon their skills to achieve further independence, self-advocacy and confidence, leading to a better quality of life.

Our team supports individuals in creating person-centred activity planners and developing daily living skills both inside the home and out in the community. The integrated multi-disciplinary team (MDT) consists of occupational therapy, speech and language therapy, psychology and psychiatry.
