#### **Cygnet Health Care to hold recruitment Open Day in Mansfield**

(26 August 2022) Staff from a leading provider of mental health, learning disability and autism services will be talking about how local jobseekers can make a positive difference to the lives of people with mental health needs during an open day to recruit health workers.

Cygnet Health Care operates 150 services across the UK for individuals with mental health needs, autism and learning disabilities. It is inviting those interested to learn more about working in the industry to come along to an open day at Mansfield Civic Centre on Wednesday 7 September.

Jenny Gibson, HR Director at Cygnet Health Care said: "The recruitment challenge facing the health care sector has been well documented recently. Increased demand for specialist services like ours means it is crucial to recruit talented and compassionate individuals to help reduce the current pressure on the sector."

"Previous experience is not essential, but it is important that applicants have a passion for delivering outstanding care and helping others. We have an amazing team of dedicated staff members, a number came into support work without previous experience and they will be on hand to share their experiences at the open day for people interested in a career in care."

Incentives for new staff include discounts from big brands like Nike, Boots, H&M, Primark, Boohoo, Argos, IKEA, lastminute.com. Cygnet also offers discounted gym membership, free meals onsite, a group pension scheme and a health cash plan to help with costs including eye tests, prescription glasses and contact lenses, dental check-ups and hygienist fees, Chiropractic and physiotherapy sessions and prescription charges.

Recruitment in the care sector has never been more important, with the number of vacancies rising above 120,000 nationwide.

The Open Day will take place on Wednesday 7 September from 10.00am – 4.00pm at Mansfield Civic Centre, Civic Corner, Chesterfield Rd South, Mansfield NG19 7BH.
