

## Press Release

### For Immediate Release

#### **Cygnet Health Care to hold recruitment Open Day in Derby**

(19 August 2022) Staff from a mental health hospital in Derby will be talking about how local jobseekers can make a positive difference to the lives of people with mental health needs during an open day to recruit health workers.

Cygnet Health Care operates Cygnet Hospital Derby, on London Road, a mental health hospital for men and women and is recruiting support workers to join their team.

Recruitment in the care sector has never been more important, with the number of vacancies rising above 120,000 nationwide.

Rowan Marriott, Head of Resourcing at Cygnet Health Care said: “The recruitment challenge facing the health care sector has been well documented recently. Increased demand for specialist services like ours means it is crucial to recruit talented and compassionate individuals to help reduce the current pressure on the sector.”

“Previous experience is not essential, but it is important that applicants have a passion for delivering outstanding care and helping others. Many of our most dedicated staff members started out as support workers and they will be on hand to share their experiences at the open day for people interested in a career in care.”

Incentives for new staff include discounts from big brands like Nike, Boots, H&M, Primark, Boohoo, Argos, IKEA, lastminute.com. Cygnet also offers discounted gym membership, free meals onsite, a group pension scheme and a health cash plan to help with costs including eye tests, prescription glasses and contact lenses, dental check-ups and hygienist fees, Chiropractic and physiotherapy sessions and prescription charges.

The Open Day will take place on Tuesday 23 August from 10.00am – 5.00pm at Cygnet Hospital Derby, London Road, DE24 8WZ.

Ends

### Notes to Editors
