

Press Release

24 October 2022

For Immediate Release

Cygnet Health Care to hold recruitment Open Day in Bury

Staff from a mental health hospital in Bury will be talking about how local jobseekers can make a positive difference to the lives of people with mental health needs during an open day to recruit health workers.

Cygnet Health Care, a leading provider of services for individuals with mental health needs, learning disabilities and autism, runs Cygnet Hospital Bury, which provides a wide range of inpatient mental health services for men and women including specialist deaf services and CAMHS provision for adolescents. It is inviting those interested to learn more about working in the industry to come along to an open day on Monday 31 October

Jenny Gibson, HR Director at Cygnet Health Care said: *“The recruitment challenge facing the health care sector has been well documented recently. Increased demand for specialist services like ours means it is crucial to recruit talented and compassionate individuals to help reduce the current pressure on the sector.”*

“Previous experience is not essential, but it is important that applicants have a passion for delivering outstanding care and helping others. We have an amazing team of dedicated staff members, a number came into support work without previous experience and they will be on hand to share their experiences at the open day for people interested in a career in care.”

Incentives for new staff include discounts from big brands like Nike, Boots, H&M, Primark, Boohoo, Argos, IKEA, lastminute.com. Cygnet also offers discounted gym membership, free meals onsite, a group pension scheme and a health cash plan to help with costs including eye tests, prescription glasses and contact lenses, dental check-ups and hygienist fees, Chiropractic and physiotherapy sessions and prescription charges.

Recruitment in the care sector has never been more important, with the number of vacancies rising above 120,000 nationwide.

The Open Day will take place on Monday 31 October from 10.00am – 4.00pm at Cygnet Hospital Bury, Buller Street, off Bolton Road, Bury, BL8 2BS.
