Cygnet Pindar House to hold recruitment Open Day

(01 August 2022) Staff from Cygnet Pindar House will be talking about how local jobseekers can make a positive difference to the lives of people with mental health needs during an open day to recruit health workers.

The hospital on Upper Sheffield Road, Barnsley, a neuropsychiatric rehabilitation facility for men affected by acquired brain injuries, is recruiting support workers to join their team.

Rowan Marriott, Head of Resourcing at Cygnet Health Care said: “The recruitment challenge facing the health care sector has been well documented recently. Increased demand for specialist services like ours means it is crucial to recruit talented and compassionate individuals to help reduce the current pressure on the sector.”

“Previous experience is not essential, but it is important that applicants have a passion for delivering outstanding care and helping others. Many of our most dedicated staff members started out as support workers and they will be on hand to share their experiences at the open day for people interested in a career in care.”

Incentives for new staff include discounts from big brands like Nike, Boots, H&M, Primark, Boohoo, Argos, IKEA, lastminute.com. Cygnet also offers discounted gym membership, free meals onsite, a group pension scheme and a health cash plan to help with costs including eye tests, prescription glasses and contact lenses, dental check-ups and hygienist fees, Chiropractic and physiotherapy sessions and prescription charges.

Recruitment in the care sector has never been more important, with the number of vacancies rising above 120,000 nationwide.
