Broughton Lodge is a specialist residential service for adults with autism and a learning disability who may present with behaviours that challenge. We aim to provide a safe, comfortable and effective care environment for those in our care, promoting independence and community integration. On site we have our multi-disciplinary team (MDT) who assist and support us to provide outcome based care and support pathways.

Mixed
gender

16+ 16+ years

20 beds
in 3 units

team helped transform Jaden's life

Our service at a glance

Depending on the individual's level of need, we have **3 different areas** within the service offering different levels of support, including support for young men and women leaving an educational provision:

- > **Sutton** (8 beds) & **Langley** (8 beds) provide a high level of support for individuals who may be stepping down from a hospital setting or has experienced multiple placement breakdowns.
- > **Bosley** (4 beds) supports individuals who are preparing to move onto supported living. They provide a structured programme of vocational activity and daily living skills to enable the individual to experience a less restrictive environment safely.

As part of our care pathway, our service enables residents to build upon earlier learnt skills to achieve further independence, self-advocacy and confidence leading to better quality of life. Residents can gain skills through extended learning via accredited platforms.

Our staff use non-aversive positive approaches and are trained in specialised behaviour interventions and sensory integration strategies. A combination of person-centred planning, measurement of progress and a full multi-disciplinary approach can only result in the best outcomes for the individuals in our care.

Our facilities:

- > En-suite bedrooms, which residents are supported to personalise
- > Multiple good sized living and dining areas in all areas of the service
- > Large activity room containing a multisensory projector, pool table, exercise equipment and a large interactive tablet
- > Activities of Daily Living (ADL) skills kitchens
- > Sensory room
- > 4 large gardens with seating areas and outdoor activities

4 large spacious gardens with outdoor activities

Person-centred recruitment
Recruiting staff to match the interests of the individual
