The people we care for here are:

- Male
- 18+

Up to 2 people can stay at our community rehabilitation service at Woodcross Street.

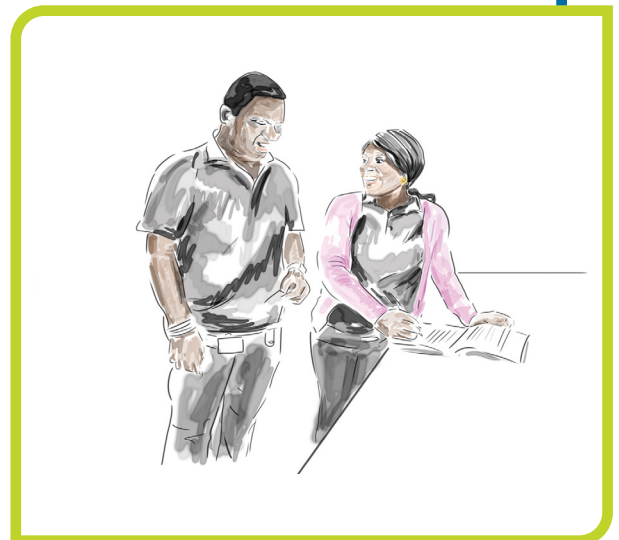

Our aim is to help you towards a more independent way of living as you work to rejoin the wider community.

## Our team

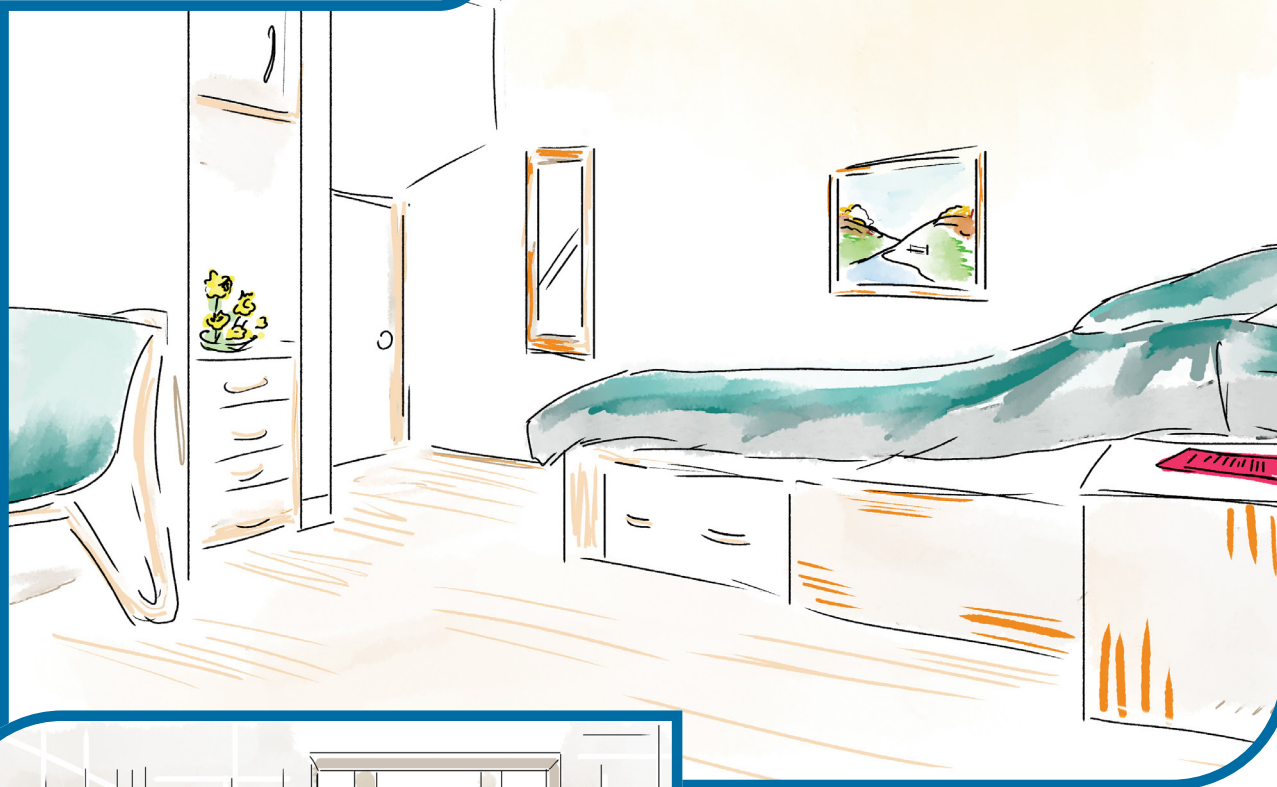

A House Manager oversees the running of the house. They will make sure the support you get is of a high standard.

There is also a team of support workers who have experience supporting people through mental health rehabilitation.

They will make sure you have what you want and need to maximise your independence and help you in your recovery.

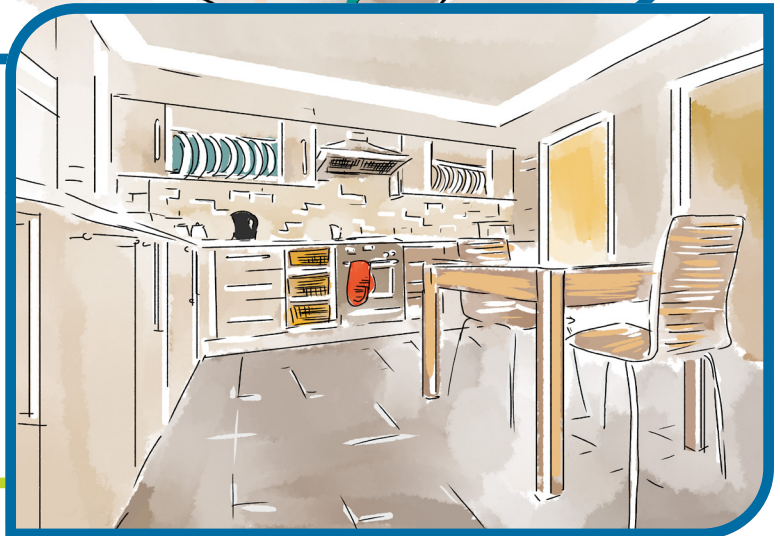

## Living spaces

You will have your own bedroom and bathroom. You can make this space your own and fill it with your things.

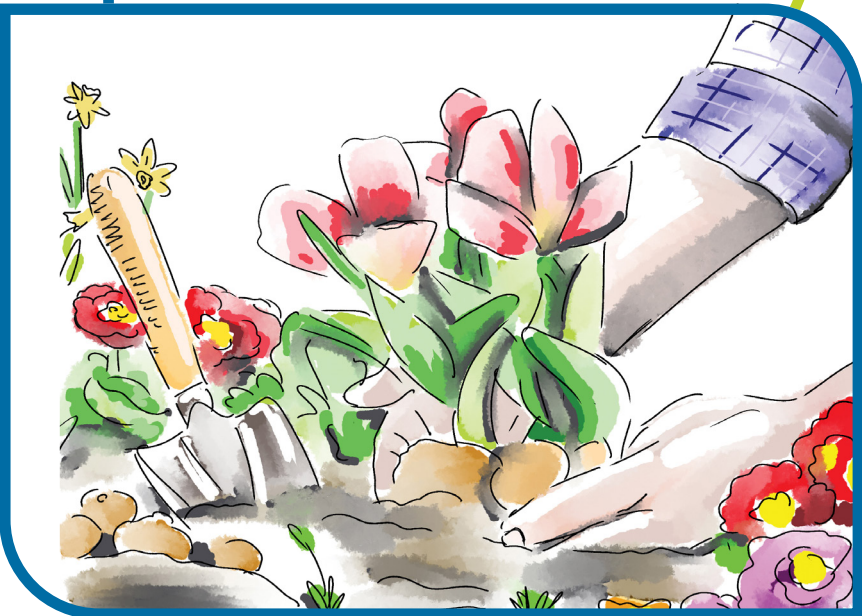

## Shared spaces

You will share dining and lounge areas with other people. All the rooms and communal areas are generously-sized.

## Outdoors

Outside there are attractive gardens which the service users help to maintain.

## Skills

Residents are given a weekly shopping budget to purchase fresh food. You will be encouraged to cook on your own, however, assistance is available 24 hours a day if needed.

## Visitors

You are welcome to have visitors at Woodcross Street during your stay.

However, you must arrange this with us before the visit takes place and your visitors will only be allowed in the communal areas of the house.

This is important so that we can make sure the privacy of other service users is respected.

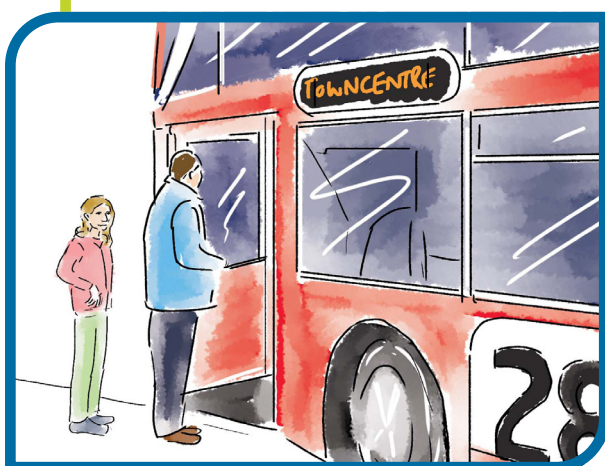

## Community

The local amenities will help you to continue therapy programmes started in the hospital, for example, accessing the community, travel training, food shopping, attending to household skills and the medication programme.

The area is full of local amenities such as:

- supermarkets
- markets
- gyms
- banks
- restaurants
- libraries
- parks

The town of Wolverhampton is nearby. Residents are also encouraged to visit Birmingham which also has the Bull Ring shopping centre.
