Specialist Acute Service for Men

Lister Ward,
Cygnnet Hospital Bierley,
Bradford

Accepting referrals

Lister Ward is Cygnnet Hospital Bierley's 16 bed acute mental health service for men. The service provides a safe and stabilising environment for individuals who are experiencing an acute episode of mental illness and require an emergency admission.

The ethos of this service is about assessing and treating individuals in the least restrictive environment and planning for discharge in a robust and timely fashion. With a focus on stabilisation, we support service users to manage their mental health, reinforce daily living skills and prepare for independent life back in the community.

Our team will work closely and collaboratively with the people we support, their families and the referrer to provide a seamless pathway from referral to discharge. Our approach is recovery focused and supported by a comprehensive multi-disciplinary team, contributing to shorter lengths of stay.
