Cygnet was established in 1988. Since then we have developed a wide range of health and social care services for young people and adults with mental health needs, acquired brain injuries, eating disorders, autism and learning disabilities within the UK.

Through our values of Integrity, Trust, Empower, Respect and Care we take pride in the services we offer and the outcomes we enable individuals in our care to achieve.

Our expert and highly dedicated care team of 10,685 employees support 2694 individuals across 150 services to consistently make a positive difference to their lives.

We maintain a good relationship with our quality regulators and undergo regular inspections, with 81% of our health care services rated 'Good' or 'Outstanding'.

Cygnet Health Care Services

Cygnet was established in 1988. Since then we have developed a wide range of health care services for young people and adults with mental health needs, acquired brain injuries, eating disorders, autism and learning disabilities within the UK. We have built a reputation for delivering pioneering services and outstanding outcomes for the individuals in our care.

Our expert and highly dedicated health care team of 7740 employees empower 2000 individuals across 83 services to consistently make a positive difference to their lives.

Cygnet Health Care is part of the Cygnet Group which also provides social care services for adults in England, Scotland and Wales.

Cygnet Health Care

Secure

Our low and medium secure services are therapy and recovery focused with the aim to effectively progress service users through secure care, and into the least restrictive environment possible, working to reduce the possibility of re-admission back into secure care.

Cygnet Health Care Services

Cygnet Social Care Services

Cygnet was established in 1988. Since then we have developed a wide range of social care services for adults with autism, learning disabilities and those requiring elderly care within the UK. We have built a reputation for delivering pioneering services and outstanding outcomes for the individuals in our care.

Our expert and highly dedicated social care team of 2945 employees empower 694 individuals across 67 residential, supported living and day services to consistently make a positive difference to their lives.

Cygnet Social Care is part of the Cygnet Group which also provides healthcare services for young people and adults in England, Scotland and Wales.

Supported Living

Supported Living is an important step towards independence. We know how important it is for individuals to have the right support so they can live the life they want to live. We support individuals to choose where they would like to live and work closely alongside our commissioning partners to ensure that correct legal frameworks are in place in order for them to live successfully in the community.
