Acute Service for Men

Brook Ward,
Cygnnet Joyce Parker Hospital,
Coventry

Accepting
referrals

Brook Ward is Cygnnet Joyce Parker Hospital's emergency acute inpatient service for men. The ward can accept service users on an informal basis and also those detained under the Mental Health Act.

The ethos of the service is about assessing and treating individuals in the least restrictive environment and planning for discharge in a robust and timely fashion. With a focus on stabilisation, we support individuals to manage their mental health, reinforce daily living skills and prepare for independent life back in the community.

Our team work closely and collaboratively with service users, their families and the referrer to provide a seamless pathway from referral to discharge. Our approach is recovery focused and supported by a comprehensive multi-disciplinary team, contributing to shorter lengths of stay.
