Improving lives together

Supported Living Service in Huddersfield (Gledcliffe), West Yorkshire

Cygnet Social Care

Now taking referrals

We know how important it is for individuals to have the right support so they can live the life they want to live.

We support individuals with learning disabilities, autism, mental health needs and behaviours that challenge. This specialist service supports individuals who may have been previously detained within a hospital setting and are ready for a step-down placement with in the local community.

Individuals are supported to hold their own tenancy agreement with a registered housing association. Individuals who are interested in living here may have previously been detained within a hospital setting and are ready for a step-down placement within the local community.

Male or female

6 tenancies

18+ years

People we support:

- Diagnosis of learning disability and / or autism
- May have associated mental health needs
- Behaviours that may challenge
- Communication challenges

Situated in the heart of the community in Huddersfield the service has 6 tenancies in 2 separate living areas, with their own outdoor space and good transport links to community facilities.

Each tenant is allocated an experienced and consistent staff team and training is bespoke to individual support needs which enables tenants to live as independently and safely as possible.

Our community links:

- Local shops and supermarkets
- Good rail links
- Local parks
- Cinema
- Leisure centre

How we support individuals:

Helping individuals to build relationships and access whatever community activities they would like to take part in

Working with them to find out their strengths, abilities and references

Providing person-centred practical help for individuals - such as training and support on how to manage their home, their money, gardening, housework and healthy living

Easy read and other accessible information available to individuals

We get to know them, their families, carers advocates and other people who are important to them and their care and support

Helping individuals to set and achieve goals as part of their support plan
