

Improving lives together

CAMHS PICU

**Buttercup Ward,
Cygnnet Bury Forestwood, North West**

Buttercup Ward is our CAMHS PICU for young people aged 12-18 with severe mental illness. The service focuses on working with individuals to understand their mental health, their risks and support their recovery.

The aim of the service is to successfully discharge individuals to a less restrictive environment, whilst reducing the possibility of relapse and likelihood of requiring a secure service in the future. Buttercup Ward provides robust care and support for young people displaying significant levels of challenging behaviour.

We offer a rapid response system and aim to respond to referral requests within an hour of receiving adequate clinical information. Buttercup Ward has full Multi-disciplinary Team (MDT) input including a consultant psychiatrist, clinical psychologist, occupational therapist, nurses, healthcare assistant, social workers, family therapist and speech and language therapist.

**Mixed
gender**
