Accepting
Referrals

South Hampton is our 12 bed male PICU that accepts emergency and crisis admissions. Referrals will come to us from all areas, including acute and prison services.

The aim of South Hampton is to provide a short, rapid intervention to help men regain a sense of control and order in their lives, so they can move to a less restrictive care setting or return home. The team at Bury Dunes are experienced in supporting individuals that are deaf, and staff are trained in British Sign Language.

The service provides expert, intensive, short-term, individualised care for men detained under the Mental Health Act. Service users will present with increased risks that require them to be assessed and treated in a PICU environment.
