

Deadline for nominations is **Friday 20th June**

NLEA Awards Nominations

The National Lived Experience Awards nominations are now open. These awards celebrate people who use mental health, learning disability and autism services across the UK.

You could vote for:

Leadership Award

This award is for groups or individuals who have led a project which has inspired other people.

Individual Progress Award

This award is for a person with lived experience who has made amazing progress.

Celebrating Diversity Award

This award is for individual or group projects that encourage acceptance.

The Community and Collaboration Award

This award is to recognise projects that have brought communities, teams, families, carers and / or services together.

Hope and Positivity Award

This award recognises individuals that are always looking out for others and spreading hope and positivity.

Social Care Star Award

This award is for those in a social care setting who have created meaningful experiences through co-production.

Mark Britton Service User Choice Award

This award will be decided at the ceremony by live vote during the award ceremony.
