Acute Service for Men

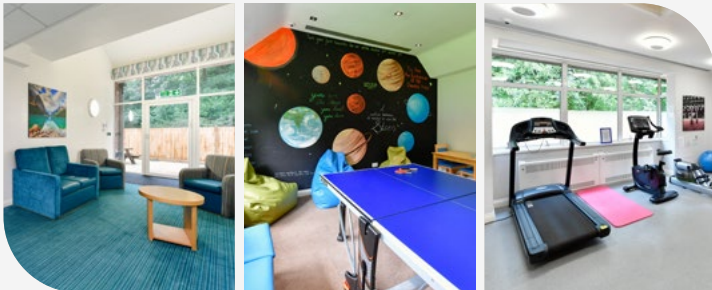

**Roxeth Ward,
Cygnnet Hospital Harrow,
London**

Accepting
Referrals

Roxeth Ward is an acute service for men and is based at Cygnnet Hospital Harrow. The service provides a safe and stabilising environment for individuals who are experiencing an acute episode of mental illness and require an emergency admission.

With high staffing levels the service aims to help individuals stabilise and enable them to safely return to the community, or the least restrictive environment for them, as quickly as possible.

The service is able to accept referrals which may be complex and can work successfully and robustly with individuals who experience a high level of need and challenges.
