

Improving lives together

Specialist Residential Service for Adults with Learning Disabilities and Complex Needs

Broadoak, Newnham

Broadoak is a specialist residential service near Newnham, Gloucestershire. We support individuals with learning disabilities, autism, complex needs and behaviours that may challenge.

At Broadoak we encourage and enable the people we support to lead a full and happy life. We work with each person to find out their strengths, abilities and preferences so that the care provided can be as person-centred to each individual as possible.

Mixed gender

18+ years

33 placements in 10 properties

The people we support:

- > Adults from the age of 18 years
- > People with a primary diagnosis of autism and / or learning disability accompanied with behaviours that challenge including mental illness
- > May have communication challenges
- > May have associated complex needs

Our service at a glance

At Broadoak our experienced staff team ensure the complex needs of the people living here are managed effectively.

There are many different living areas to meet the wide range of needs we support:

- > **Rose Lawn** is a three-bedroom bungalow. The bungalow has been adapted to meet the needs of people who may have physical disabilities.
- > **Willow Green** is a three-bedroom bungalow. As with Rose Lawn, this bungalow has been adapted to meet the needs of those with a physical disability.
- > **Poplars View** is a five-bedroom house. It caters to a higher dependency group of people who may have a mobility problem. There is also a single-occupancy annexe to this house.

- > **Cedar Falls** is a seven-bedded house and is currently home to an all-male group with varying levels of ability and behaviours that challenge. The house is on three levels with toilets and bathrooms on all levels.
- > **Two self-contained, one-bedroom flats.** These self-contained flats support individuals who require a more independent living environment, either to develop their skills to move on, or to provide a quieter living environment suited to their needs.
- > **Elm Lake** is a five-bedded house with a mixed gender group with varying levels of ability and behaviours that challenge. All rooms are single en-suite with a shower, washbasin, and toilet.
- > **Pine Brook** is a five-bedroom house and is currently an all-male group. All rooms are single rooms with en-suite facilities. There are also two separate bathrooms.
- > **Poplars Cottage** is a five-bedroom house and is currently an all-male group.

For more information or to make a referral, please contact your regional Business Relationship Manager or email: sc.referrals@cygnethealth.co.uk

- 1 Referral made to Cygnet Social Care and a desktop assessment is undertaken to review suitability for placement
- 2 If a suitable placement is identified, an assessment is arranged and undertaken by our specialist team
- 3 Feedback is provided on whether our service can meet the individual's needs
- 4 Detailed placement proposal is formulated to include care plans and funding information
- 5 Once placement is confirmed, transition plans are developed with all relevant stakeholders and admission date is agreed
