Bearsted Ward at Cygnet Hospital Maidstone is a PICU for men in Kent, South East.

The service provides intensive, short-term, individualised care for men detained under the Mental Health Act.

Staff work collaboratively with service users, families and external health professionals to provide a clear pathway to discharge using a compassionate approach.

Each individual is encouraged and supported to engage in meaningful activities that support their recovery.

Cygnet Hospital Maidstone also benefits from low secure and mental health rehabilitation wards onsite, for men that may require a care pathway, or access to an extended therapy programme.
