Sycamore (M) and Swift (F) at Cygnet Hospital Taunton are acute services for adults in the South West.

The services provide safe and stabilising environments for adults who are experiencing an acute episode of mental illness and require an emergency admission.

Cygnet Hospital Taunton is located in a rural setting within acres of fields. The quiet surroundings and expansive hospital grounds are a calm and therapeutic environment for recovery.

The hospital is well integrated within the local community, with opportunities for volunteering, playing sports and fundraising readily available.
