

Improving lives together

Specialist PICU for Men

Fern Ward,
Cygnets Hospital Sherwood,
Nottinghamshire, East Midlands

Male

18+ years

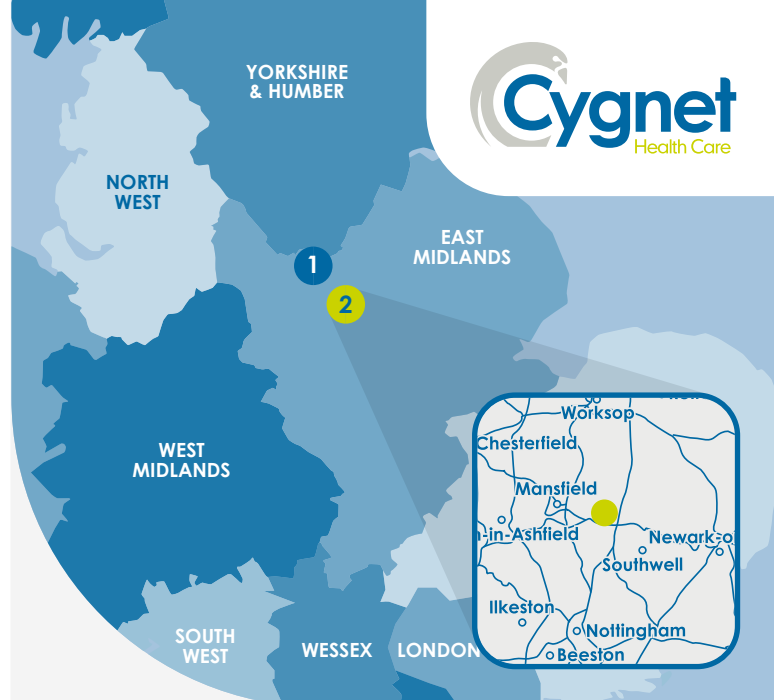

12 beds

Fern Ward is our specialist PICU for men, based at Cygnets Hospital Sherwood in Nottinghamshire.

The ward provides assessment and treatment for men experiencing a mental health crisis who require an emergency admission.

Designed in collaboration with Experts by Experience, our modern, purpose-built hospital offers a calming environment featuring all en-suite bedrooms with double beds.

Our specialist team focus on length of stay and making sure individuals move as quickly and safely as possible from our services to the most appropriate and least restrictive environment for them.

At Fern Ward, we support men aged over 18 who:

- > Are detained under the Mental Health Act or informal
- > May have diagnoses including mental illness, personality disorder, psychosis, bi-polar disorder and / or schizophrenia
- > May have complex needs including self-harm or substance misuse

“Staff showed our son the utmost of care and compassion during a tremendously challenging and difficult time. We were overwhelmed that, despite the challenging circumstances, they constantly had his wellbeing at heart and continually and consistently supported him, engaged with him, achieving great progress and outcomes for him.”

- parent
