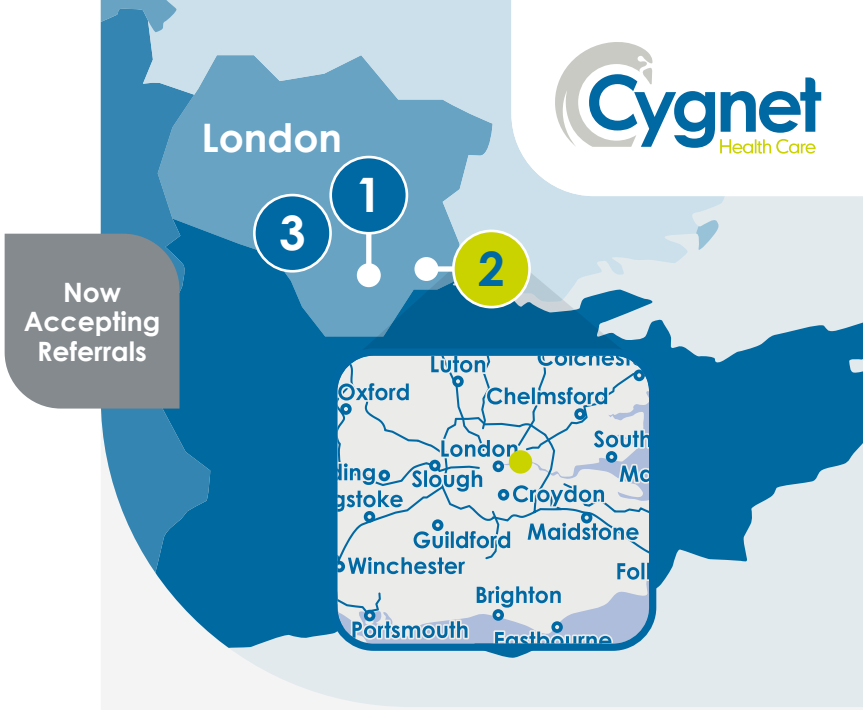
Mental Health Acute Services for Women

Hooper Ward, Cygnet Hospital Beckton, London



Female | **18+ years** | **13 beds**

Hooper Ward is our mental health acute service for women, based at Cygnet Hospital Beckton in East London.

The ward provides assessment and treatment for women experiencing a mental health crisis who require an emergency admission.

The team at Cygnet Hospital Beckton embodies a trauma-informed approach to care. We value family and carer input, utilising a well-established carer network to provide a regular forum for updates and feedback.

We provide personalised therapy and activity programmes tailored to each woman's goals, values and changing needs, supporting mental wellbeing and helping them manage their mental health throughout their recovery journey.

We are able to provide a pathway from Acute care for women who may require further intensive support within our female PICU and personality disorder services on site.
