Acute Service for Men

Phoenix Ward, Cygnet Hospital Wyke,
Bradford, West Yorkshire

Good

Male | 18+ years | 19 beds

Phoenix Ward at Cygnet Hospital Wyke in West Yorkshire is a specialist mental health acute service for men.

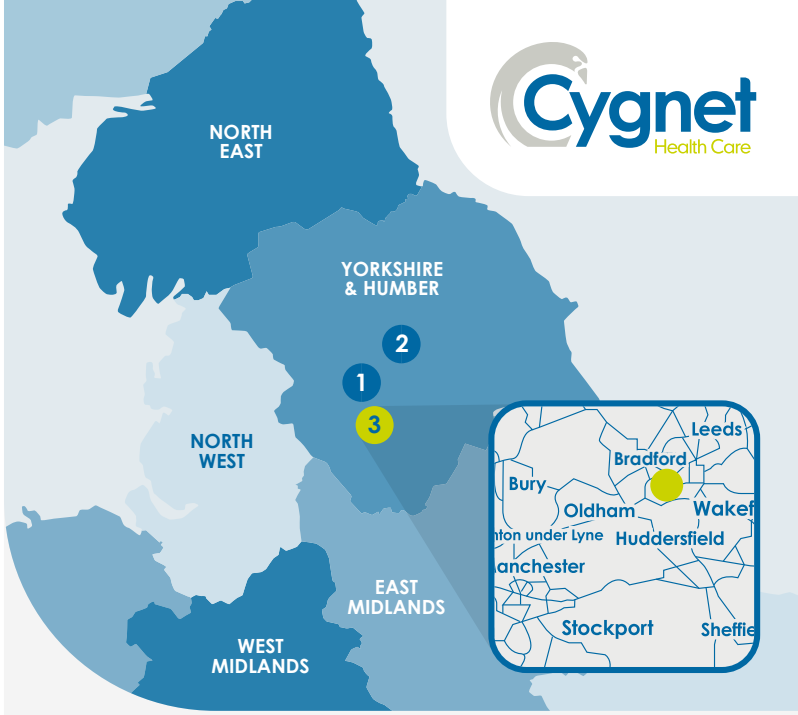

The service provides a safe and stabilising environment for individuals experiencing an acute episode of mental illness and who require an emergency admission.

Our comprehensive psychoeducation program empowers men to better understand their diagnoses while developing the practical skills necessary for life beyond the ward.

We provide a structured pathway to independence through skills workshops, therapeutic groups and personalised care.

The hospital sits on more than three acres of grounds, which are quiet and private.
